The availability of ABB charging equipment may be affected by production lead times, completion of independent safety certifications, and design development affecting compatibility with GILLIG electric vehicles. GILLIG does not guarantee the availability of ABB charging equipment.

The warranties on the charging equipment are provided by ABB and are subject to the ABB Standard Warranty. GILLIG makes no warranty of any kind whatever, express or implied; and all implied warranties of merchantability and fitness for a particular purpose which exceed the aforesaid obligation are hereby disclaimed by GILLIG and excluded from any agreement.

This price reflects equipment shipped directly to the Agency by ABB and the services described below. No further services are included as part of this GILLIG quote. Payment to GILLIG is due upon shipment of the equipment described herein.

This quote is valid for 60 days unless extended by an authorized GILLIG representative.
